

August 20, 2018

Dear Community Leader,

I am writing to invite you to an upcoming free seminar on the Faith & the Common Good Energy Benchmarking Initiative. This session is ideal for faith-based communities looking to take action on climate change.

Sunday, September 16, 2018, 2:30 pm to 4:30 pm
Holy Trinity Anglican Church – Thornhill
140 Brooke St, Thornhill, ON
L4J 1Y9

Stewardship for Faith Buildings is an informative seminar providing valuable information on how faith-based buildings can reduce their energy use and become more environmentally sustainable.

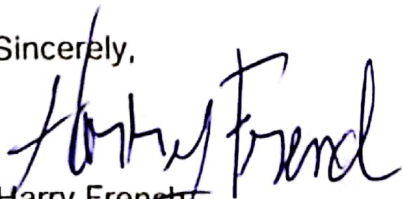

Key topics that will be discussed:

- Top ten things your organization can do to get started on energy reduction
- Success stories from York Region's greenest congregations
- Navigating Faith & the Common Good's registration page
- FAQs on the Energy Benchmarking initiative
- Learn about the Home Energy Conservation Program

The event is free to attend however, limited space is available. All faith groups are welcome. Light refreshments will be provided.

For more information and registration, please visit www.climatewise.ca/events or contact me at hfrench@windfallcentre.ca.

Sincerely,

Harry French
