BOOK THAT MEETING ROOM!

Fall scheduling is well underway with many rooms being booked. If you are planning activities and need space at the Church, please connect with info@holyltrinity-thornhill.ca as soon as you can.

CLEANING AND ROOM SET-UPS

And, if you'll need a set-up for the room you are booking, please connect with info@holyltrinity-thornhill.ca as soon as possible. Our wonderful custodian Jesús Cruz Aránago will be on family leave in Mexico September 3 to October 17. During his absence Salta Grande Maintenance will clean our spaces during the evening,

and while they will do the set-up for meeting rooms, we'll need a bit more lead time without Jesús. We wish him the very best and can't wait for him to return.

THORNHILL NURSERY SCHOOL RENOVATIONS

Renovations are underway in the Nursery School area, with changes to the washrooms, kitchen and a fresh coat of paint. It looks amazing.

THANKS TO THE CLEAN-UP/CLEAN-OUT CREW!

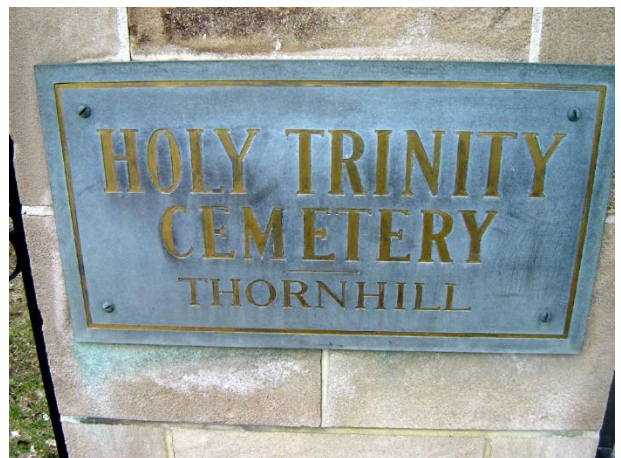

We are all so grateful for the clean-up and clear-out work happening throughout the church building. Special thanks to:

- Nancy Cutler and Ed Carter for transforming the church office; if you haven't seen the office, do drop by.
- Nancy, for crawling into every nook and cranny under the stairs or in rooms, pulling out age-old technologies, files for the archives, trash and treasures.
- Linda Gould and all those who were scrubbing the kitchen to a new sparkle. I loved their laughter and wish I had all their names.
- Ron Tolhurst, Malcolm Shiner and others for cleaning the stage and arranging for the removal of the old material).
- Gabriel Aigbede for hours of shredding and, with Peter Jones, moving in the new office desk.

Our building can't survive without the countless hours of so many volunteers. Bless you all.

CEMETERY FALL CLEANUP - SATURDAY, SEPTEMBER 24, 2022

And, in addition, volunteers keep the cemetery in order! Calling all helpers from **9:00 am to 12:00 noon on Saturday September 24th**. The tasks are numerous: raking, removing vines, trimming trees, grass to trim from corner stones and flat markers, sweeping grass cuttings and needles from flat stones, etc. etc. etc. High school students can count the work for volunteer hours. For more information telephone Enid at 905-889-7218. Thank you Enid!

A PHOTO IS WORTH 1000 WORDS

Thanks to Neda Dalir, we have photos of the good things happening here! **For those worshipping in the Virtual Chapel, please send me a photo.** We need to “see” each other – and show the world the joy Christ brings us.
