

Reimagining Holy Trinity

The church is a community of gifts: gifts received from God and given in grateful recognition. Being good stewards of our resources requires prudent management, openness, and a sense of possibility.

Please help us sustain the values we share in building the kingdom of God on earth. Every contribution helps!

As we look to this new year, thank you for your support of Holy Trinity in prayer, in gifts, and in service.

Worship

The work of the people giving praise and glory to God in person and online through music, dance, liturgical art and symbols.

Caring

Clergy and lay visitors give pastoral care to the sick, isolated, dying and grieving. **OUTREACH** shares our experience of Christian love with our neighbours.

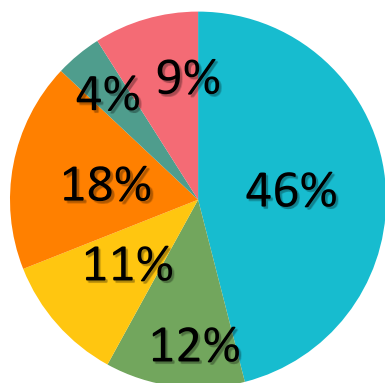

Belonging

We commit to each other in our community of faith. We grow and learn together in faith as we bear one another's burdens and are spiritually nurturing.

Property

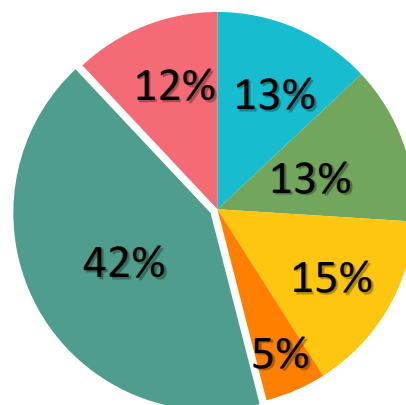

Maintaining our historic buildings and cemetery as good stewards as a blessing to the people of Thornhill with responsible green practices. Safety & structural audits are done regularly.
